

## “Doing Good for the Environment” Contest Description and Rules

The City of Garland would like to recognize and *reward* students who have shown initiative, spirit, intelligence, leadership, and generosity by implementing an extraordinary service project that promotes environmental stewardship. We believe that young people can be an inspiration to others and play a key role in how we protect the environment.

Winners will be notified by September 24, 2010 and receive public recognition at the Healthy Living Expo on September 25, 2010.

### ***Prizes:***

First Place     \$500  
Second Place   \$300  
Third Place     \$100

### ***Contest Rules:***

1. Project must be conducted in the City of Garland and have a positive impact on Garland’s environment. It must be related to at least one of the following categories: Stormwater Pollution Prevention, 3 R’s (reduce, reuse, recycle), Water Conservation, or Energy Efficiency.
2. Project must be action based and self initiated.
3. The project should have been completed between September 2009 and September 2010.
4. The student must be enrolled in the Garland Independent School District for the 2010-11 school year or a Garland resident that is home schooled or attending a private school.
5. Team entries will equally share prize money, if applicable.

6. Each entry must complete an entry form and provide a project report as detailed on the entry form.
7. All entries must be received at the following address no later than 5:00 pm on September 10, 2010.
